School Forms

As you know, there are several important forms that must be completed in the beginning of each school year. Please be proactive in checking with your child to make sure that all necessary forms are signed and returned to your child's homeroom teacher.

Code of Conduct & Scholar & Parent Handbooks....

We want our scholars to succeed at Equality Charter School and we need you to be a partner in this journey. The Code of Conduct is designed to ensure your scholar is meeting school expectations. In the scholar and parent handbooks you will find important information on policies & procedures at Equality. All three handbooks include the appeal process for suspensions and procedure for filing a complaint. These handbooks can be found on our website under the "Our Programs" tab. If you would like a hardcopy of these handbooks you can download and print from the link below or contact the Main Office and a copy will be sent home with your scholar.
