

November 2, 2020

Dear Equality Parents, Guardians, and Scholars,

Equality is striving to keep our community safe and comply with local, state and federal rules regarding COVID-19. Please review the guidance below.

Transition to remote learning guidelines:

We will strive to give as much notice as possible if we need to close the school building; however, we may have to make the transition to remote on short notice. Please make sure you are checking for school communications on a regular basis.

Travel out of state guidelines:

We request that our families avoid travel out of New York State. If out of state travel is necessary, please follow the current New York State guidelines on travel, below. The rules require submission of 2 negative COVID tests in the prescribed time periods to return to the building:

For any traveler to New York State from out of state, exempting the contiguous states, the new guidelines for travelers to test-out of the mandatory 14-day quarantine are below:

- For travelers who were in another state for more than 24 hours:
 - Travelers must obtain a test within three days of departure from that state.
 - The traveler must, upon arrival in New York, quarantine for three days.
 - On day 4 of their quarantine, the traveler must seek another COVID test. If both tests come back negative, the traveler may exit quarantine early upon receipt of the second negative diagnostic test.
- For travelers who were in another state for less than 24 hours:
 - The traveler does not need a test prior to their departure from the other state, and does not need to quarantine upon arrival in New York State.
 - However, the traveler must fill out the traveler information form upon entry into New York State, and take a COVID diagnostic test 4 days after their arrival in New York.

Please stay safe and let us know if you have any questions or concerns.

Respectfully,

Caitlin Franco, Founder & Executive Director
