

January 4, 2021

Dear Equality Charter High School Parents & Guardians,

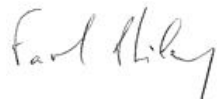

As you know, in November, Equality made the decision to temporarily transition to full remote learning due to changes in the health crisis. When we made that decision, we set an anticipated date to return to in-person learning at the beginning of the second semester on February 1st 2021. As we start to approach the end of the first semester, we want to give all parents the opportunity to update the learning option for their children for the beginning of second semester. While we are confident the success of our hybrid model in the fall will give more parents greater confidence and peace of mind in choosing in-person learning in our school building for their children, we realize that choice may not be best for every family at this time. As such, please complete the form below to indicate whether you want your child to attend school in person, in our school building (Hybrid) or to learn remotely 100 percent of the time (Full Remote Learning).

[Scholar Learning Option Form \(Starting on February 1, 2021\)](#)

If you have any questions, please contact Ms. Caso, the head of our guidance department at julie.caso@equalitycharterschool.org.

Please note that you must complete this form by the end of the day on Wednesday, January 6th.

Sincerely,

Favrol Philemy
High School Principal
