at a time

MMCC Is Still Going On?

If you would like to join us on our Virtual Platform. **Please send me an email at sladson@mmcc.org.**

We would love to see more students, especially middle school scholars, join our Virtual platform.

I am accepting old and new students.

Some of the activities on the MMCC virtual platform is Fitness, MMA Fitness, Cosmetology, Art, MAD Science, Yoga, Drumming, African Dance, and more.

For ECS students we now have Tech Nique 4 Kids, which is a program that was offered in the previous year. The Scholars love the class and the instructor so now she is back for the virtual world
