Dear Equality Parents, Guardians, and Scholars,

We are delaying our return to the school building until at least March 15, 2021.

We made this difficult decision in order to prioritize the health and safety of our scholars and staff over everything else. In addition, we feel that it is our social responsibility to help slow the spread of COVID-19 by adhering to all health and safety measures within our school community. We will monitor the situation and will be in contact with families when we have determined our dates to transition back to in-person instruction.

During Remote Learning, please ensure you are consistently visiting our school-specific websites using the links below to access additional learning resources, as we will use these sites as hubs to communicate important information:

- Middle School: <https://www.equalitycharterschool.org/our-programs/middle-school/>
- High School: <https://www.equalitycharterschool.org/our-programs/high-school/>

As always, we will continue to provide updates and share information regarding additional actions and announcements. Rest assured, we will do our very best to ensure there is continuity to your child's educational experience. If you have any questions or concerns please do not hesitate to contact us through our main offices at :

- Middle School - msoffice@equalitycs.org
- High School - hsoffice@equalitycs.org

Respectfully,

Caitlin Franco, Founder & Executive Director
